

November 17, 2020

Email update to the Board and Committee Chairs/Members

Based on your feedback, here is an email update in lieu of a November board meeting. The [October update](#) is available on our website.

Financial Report: Attached is Financial Report #2 for your review.

Placement Statistics: Attached are the Placement Statistics updated through October.

Membership: We currently have 53 members, and the Membership Committee is working on outreach. If you have any outreach ideas, please contact the Membership Committee.

November Programming: We have an exciting slate of Project 20/20 programming.

- Thursday, Nov. 19 – Work and Life During the Pandemic with Dr. Alyssa Westring ([Register](#))
- Friday, Nov. 20 – Professional Development Workshop ([Register](#))
- Friday, Nov. 20 – Trivia Night ([Register](#))

Holiday Party: The Programming Committee is hard at work planning the virtual holiday party. Due to logistical barriers, the 2020 holiday party will not have a silent auction. The committee is currently looking at pricing and options to hold a murder mystery/escape room type of virtual event. Stay tuned for more information!

Service Award: The Membership Committee sent out a call for nominations. The deadline is November 30, 2020. If you would like to nominate someone, [please complete and submit the form](#).

New LLAM Email Address: The Communications and Technology Committee created a new, branded email address for LLAM: info@llamonline.org. The committee updated LLAM's website with the new email. This email does not replace our existing Gmail (llamonline99@gmail.com), but forwards to the Gmail account.

Resignation: Some of you may already be aware, but Simon Canick, our Past-President, will be leaving the University of Maryland at the end of this calendar year to join Columbia University as its Law Library Director. As a result, Simon has resigned from the LLAM Board. Thank you, Simon, for your leadership and contributions to LLAM these past few years. In particular, our successful 2019 Legal Research Institute would not have happened without your support and guidance. We will miss you!

Next Board Meeting: Our next virtual board meeting will be in 2021. I will send out an email update in December. If you have any questions or would like to add items to the update, please contact me.
